

Fernhill Farm Experiences 2008

Fernhill Farm Experiences encompass a broad range of rural, sporting and environmental events, workshops and excursions

Some of the Experiences are run by Fernhill Farm partners like outdoor pursuit companies and the annual Big Green Gathering in August 2009. Some are private and some are public

Each Experience has one thing in common, it starts and ends (and some are totally within) the unique Fernhill Farm on the Mendip Hills, a perfect place for new adventures

Here is a summary of our calendar – for enquiries and bookings please call us on 07903 584695
